Steel Manual Drum Spender/Tipper 41 In. x 5-7/8 In. x 4-7/8 In. Blue

MODEL DTP-11

Drum Handling Equipment / Manual Drum Upenders

PRODUCT OVERVIEW

The manual drum upender is a great addition to the drum handling facilities. For best use, place the initial plate of the spender at the lip of the horizontal drum, while the outer plate is secured against the side of the drum. Once the unit is secured in place, pull up and push the unit forward to bring the drum to the vertical position.

KEY FEATURES

- Provides leverage for tilting horizontal drums to vertical
- Constructed of solid steel for long life
- Wide toe plate prevents denting on barrel sides
- Narrow top plate grabs a variety of chimes
