Steel Heavy Duty Electric Powered Tugger 10,000 Lb. Pulling Capacity Yellow

MODEL E-TUG-HD-100

Industrial Carts & Dollies / Electric Powered Tuggers

PRODUCT OVERVIEW

Having a heavy duty electric tugger is a tremendous asset when moving heavy trailers and carts. Predominantly used in airports, warehouses and other facilities, this tugger is great for compact and condensed areas when open space is limited. It not only has the ability to pull loads, but push them as well without extreme stress or strain on the user's body. Easy to reach button controls are centrally located on steering handle. Unit includes batteries, battery charger and battery level gauge.

KEY FEATURES

- Durable steel construction
- Powder coated surface for long term toughness
- DC operated for consistent power supply
- Large tires for increased traction

CORE PRODUCT DATA
