Steel Forklift Tie Down Clamps 2-1/2 In. x 8-1/4 In. x 8-1/2 In. 4400 Lb. Capacity Yellow

MODEL FTDC-6-4400

Fork Truck Attachments / Forklift Tie-Down Clamps

PRODUCT OVERVIEW

Forklift tie down clamps are a great asset when securing loads for transport. These units are comprised of two pieces each, one bracket and one clamp. An eye bracket is positioned in front of the load while the screw clamp is placed behind the unit, closest to the forklift driver. These are put in place by sliding over the forks. Simply use the preferred type of tie down such as a nylon strap or chain to secure the load (both not included). A powder coat finish diminishes the abrasion and scuffing that may occur during daily use.

KEY FEATURES

- Large capacity for heavy lifting
- Robust construction for long term use
- Tough Baked In powder coated yellow finish
- Simple compact design for immediate use

CORE PRODUCT DATA

ASSEMBLED WEIGHT **35 lbs**	ASSEMBLED SIZE **8.25" W x 2.5" L x 8.5" H**	SHIP WEIGHT **36 lbs**
PACKAGE 1 SIZE **8" W x 10" D x 8" H**	COLOR / FINISH **Yellow**	FREIGHT TYPE **Parcel**
