Steel Economical Portable Loading Platform 54 In. x 54 In. 2000 Lb. Capacity Blue

MODEL FTLP-5454

Fork Truck Attachments / Loading Platforms for Fork Truck

PRODUCT OVERVIEW

This loading platform for fork trucks allows fork trucks to load/unload items into trucks and trailers. Maximum uniform weight capacity is dependent on fork truck capacity. Includes fold-down lip to help with transition. Side guard toe boards. Four (4) tie-down rings are included for securing equipment (tie downs not included). Diamond tread plate floor for extra traction. Safety strap (included) to secure platform to fork truck. Steel construction with baked-in powder-coated toughness.

KEY FEATURES

- Loading platform allows fork trucks to load/unload items with ease
- Includes fold-down lip to help with transition and side guard toe boards for optimal safety
- Four tie-down rings are included for securing equipment
- Diamond tread plate floor for extra traction and safety strap to secure platform to fork truck
