# Steel Commercial Spring Loaded Ladder 1 Step 16 In. Wide with Anti-Slip Rubber Mat 300 Lb. Capacity Blue

**MODEL LAD-1-B**

Industrial Ladders / Commercial Spring Loaded Ladders

## PRODUCT OVERVIEW

Commercial users of rolling ladders now have an attractive and economical alternative to the traditional warehouse rolling ladders. This commercial spring loaded ladder has a sleek design, also provides maximum safety and convenience. The all directional spring-loaded swivel casters feature steel dome protection which includes rubber pad bottoms to minimize movement. The powder coat finish provides a durable attractive appearance.

## KEY FEATURES

- Ladder design is an attractive and economical alternative to traditional warehouse rolling ladders
- Non-slip rubber step surface provides a positive grip
- Rubber dome covers protect the spring-loaded casters
- Powder coat finish provides a durable attractive appearance
