Steel Single Rail Chock with Flag Rail Chock 30 In. Long Chain Yellow

MODEL SRC/FRC

Loading Dock Equipment / Universal Steel Rail Chocks

PRODUCT OVERVIEW

The single steel rail chock fits most standard size rails. The double sided flanges keep chocks on track and the hardened steel spurs that are located on the bottom side of the chock, are used to maximize a positive grip. There are adjustable support legs to balance the flag rail chocks. The aluminum "chalk your wheels" sign is visible from both sides. This unit includes a flag rail chock combination.

KEY FEATURES

- Single steel rail chock design fits most standard size rails
- Heavy-duty welded steel construction provides maximum durability & strength
- Rubber hand grips included for a non slip grip
- Aluminum "chalk your wheels" sign provides visibility from both sides
